15. Multidisciplinary / interdisciplinary

T.H.B college is affiliated to Gauhati university and follows a road map/guidelines prepared and provided by the state Government of Assam. The college has started the Multidisciplinary/interdisciplinary structure of National Policy on Education 2020 from this year as per the instructions of the Gauhati University. Presently the college is offering courses in Arts and Sciences at the UG level, although this year the college has obtained permission from the Gauhati University to start PG Courses in English and Assamese. The college has also introduced Integrated Teacher Education Programme in Arts and Science (B.A.B.Ed. and B.Sc. B.Ed.).

Till now the college is running one P.G diploma course in computer application. The college is also planning to introduce MLT (Medical Laboratory Technician), Mobile repairing and other skill courses from the next academic year. The college has also a study center of Krishna Kanta Handique State Open University and presently UG and PG courses are being offered through that.

16. Academic bank of credits (ABC):

Academic Bank of Credits (ABC) is proposed in the draft of NEP to facilitate multiple entries and exit points for the students in their Academic programs. The college has taken initiatives for implementation of this innovative idea to earn and deposit credit which will be given maximum benefits to the students. The system has been introduced for the newly enrolled students under NEP2020 for the UG Courses in Arts and Science and the students have registered for the same under the SAMARTH portal. In this regard awareness has been created among the students through conduct of Induction programme.

17. Skill development:

In order to promote/integrate the local language, art and culture, compulsory activities in the curriculum has to be added like literary activities etc. and through discussion/ interaction/ symposiums etc in local languages which will fetch extra credit to the students. These changes will also increase the employability opportunities for the teachers and subject matter experts of these languages. Frequent field trips to the local heritage site/museum shall help students assess/understand the value of their culture and traditions. This will boost tourism sector and create awareness amongst students. T.H.B College offers UG programs in Assamese, English and Nepali literature as a subject. It shall implement the policy of the affiliating university in this regard and explore the available local resources for integration of Indian knowledge system with curricular activities. The area is rich in cultural diversity and that can be accessed as per the curriculum of the university. Sites with historical monuments, temples and national parks which are easily accessible from the college may be used for acquainting the students with our knowledge system. The present curriculum of

the Gauhati University keeps provision of dissertation/project and a number of departments take out students on field trips/excursion in connection with their projects/dissertation. The expertise and experience of the teachers will help the college to integrate Indian knowledge system through such activities. Besides, the college belongs to an area which is quite rich in linguistic diversity and that can be used as opportunity in this regard.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

OBE, as proposed in the NEP, aims to bring competency, standard benchmark and attainment of targets. Apart from these the OBE incorporates three elements: theory of education, a systematic structure of education and a specific approach to instructional practice. T.H.B. College is prepared to fulfill the objectives and achieve the target as per the curriculum provided by the Gauhati University (available on <https://nep.gauhati.ac.in/fyugp>)

20.Distance education/online education:

During the Covid-19 pandemic, all educational institutions in the country were increasingly involved in use of the digital platforms for engaging classes, conducting conferences and seminars. As a whole both teachers and students have got remarkable exposure to online teaching and evaluation process through different software and applications. At present T.H.B. College has a distance learning study centre of KK Handiqui State Open University through which it offers different certificate, diploma and degree programmes (UG and PG). Apart from that, the college shares different digital platforms like Whatsapp, facebook, Google Classroom, SWAYAM etc. A large number of students have been benefitted by this mode of Education.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The college executes the curriculum designed by the affiliating university and ensures its timely and effective delivery in a well planned manner with involvement of all the faculty members and committees constituted to serve the purpose. The academic calendar is instrumental in implementation of the curriculum and performance of the scholastic as well as non-scholastic activities. The departments also organize different activities and prepare teaching learning materials. Before commencement of classes the principal circulates a general class routine prepared by the Routine Committee based on the inputs from the HoDs. Both theory and practical classes are arranged for each and every course as per requirement and guideline of the university. The department heads take responsibility of allotting the classes to the teachers considering their interest and area of specialization. The teachers use ICT besides following conventional methods of teaching. Completion of the syllabus is purely maintained by the respective departments, but the principal makes time to time

revision of curriculum transaction in meetings of the Academic Council. Student feedback and performance of the students in Internal Examinations also help the authority to assess the progress of curriculum delivery. The college offers infrastructural support for smooth and fruitful delivery of the curriculum

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

An academic calendar is prepared at the beginning of each academic session in line with the University's calendar consisting of various curricular and co-curricular activities. The calendar is displayed on college website and notice boards. It is updated and revised as per change introduced by the university. The members of the Routine Committee prepare the class routine at the beginning of a semester as per the academic calendar and the guidelines of affiliating university for the number of credit hours for each subject. Then the class routine is circulated in the departments and modified if required. The departments also prepare their own class routines with allotment of classes to the individual teachers. Departmental routines are circulated through the Whatsapp groups and notice boards. Allotted classes are done by the respective faculty members of the departments. Continuous Internal Assessment ideally accounts for 20% of the total marks allotted to a course or paper. For CCE sessional examinations, class tests, class attendance, projects, assignments are used as tools and everything is planned in compliance with the academic calendar. Academic Council monitors progress of the courses and takes important decisions regarding implementation of the calendar and other academic issues

1.3 - Curriculum Enrichment**1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum**

Programme on code of conduct at the beginning of every semester helps informing students about the rules and ethical values to be strictly followed in the college. A Handbook of Professional Conduct and Guidelines is there in the college website. Various Subjects of the curriculum help in making students aware of our heritage and value system. Such subjects help in inculcation of the precious human qualities. The college also celebrates important national and international days with a view to nurturing a feeling of unity and brotherhood. The college organizes activities to sensitize the students towards gender discrimination and rights of women. The Equal Opportunity Cell, Students' grievance redressal cell, Women's Cell and Internal Complaint

Comliance Committee organize seminars/sensitization programmes and observe important days for awakening the society towards preservation of women's dignity. CCTV surveillance in the entire college campus ensures security of women. The college has a sprawling green campus with trees and vegetation. Plantation, sustainable use of natural resources is a very old practice here. For years the college has been trying to preserve the precious plant verities in the college with involvement of the students and teachers. The curriculum also offers scope to sensitize the students towards various ecological issues.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Slow and advanced learners are identified by the teachers through classroom discussions, quizzes, sudden tests, previous Board results, unit tests, and class seminars. Slow learners: The slow learners are provided counseling by the teachers and special attention is given to them. They are provided with special study materials like notes, question answers by the teachers. Tutorial classes/Private counseling offered to them helps the students overcome difficulties in comprehension of classroom lectures and keep pace with other students. Mentoring system also helps the teachers to clarify their doubts and address their personal problems. The teachers also discuss the questions and answers in the classroom in detail keeping in mind their special needs. Special tests are conducted for them. Advanced learners: The teachers' attempts are always there to ignite their minds and inspire them to be more ambitious in their academic pursuits. The teachers make attempt to motivate the students to research oriented activities by entrusting them with more responsibilities in group discussions, seminars, projects etc. Some of the departments also motivate and inspire them with awards for good results. They are given responsibilities to lead the college on

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The institute upholds a learner-centric approach and encourages quest for excellence. Teachers always attempt to create a learning environment where students are active participants as individuals and as members of collaborative groups. Such an ambience helps students nurture their ambitions and develop their intellectual acumen. It encourages them to accept responsibility for their own learning. Teachers' efforts are always there to accommodate diverse learning needs, ensure efficient classroom management for equitable access to technology and other apparatus in the classroom. The institute gives the students an environment where their work is valued and appreciated. Teachers always encourage collective activities like departmental seminars, group discussions, debates and quizzes on subject related topics in their respective departments that help in removing boredom and monotony of normal routine works and offer students opportunity to demonstrate their creative ability, leadership qualities and organizational capacity. A friendly ambience is always prevalent in the departments inspires the students to approach their teachers for clarification of any doubts. Such informal interactions are conducive to leading discussions beyond limits of syllabus. Teachers also make use of ICT tools, lead students on Industrial Visits, Field Trips and Surveys, Projects writing etc. for giving them experience

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

At the very beginning of each semester students are offered an outline of the tasks to be mandatorily accomplished as part of the continuous evaluation system. Detailed information is provided in this regard in the awareness programme organised by the Code of Conduct Committee. Tools such as sessional examinations, group discussions, and class tests are used as major tools for assessing continuous development of the students. Examinations for honors subjects are held by the respective departments and for the regular courses are organised centrally. Question papers are set by the teachers from the departments. Regarding conduct of examinations, decisions are taken by the Academic Committee. Students failing to appear in the examination for genuine reasons are given another chance after due notification. Marks obtained by the students are displayed on the notice boards by the departments. Evaluated answer scripts are shown to the students of the regular courses if they want. The honours students are shown their answer scripts and their strength and weakness are discussed. Part of the marks for internal assessment are also obtained from participation and performance of the students in group discussions, seminars, writing of assignments and other scholastic/non-scholastic activities, besides class attendance. The teachers are always ready to clarify the doubts and enquiries raised by the students regarding the process of assessment.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The end semester or final examinations are conducted by the affiliating Gauhati University. All examination related grievances of the students are received in the form of written application (as per the university guidelines) from the students and forwarded to the University for rectification after thorough verification at the institution level. The college sorts out the grievances raised by the students depending on the nature of problems through office assistants. The Principal deputed office assistants dealing with examination, to register the grievances of the students at the University examination branch for the earliest solution. There is also online mechanism for registering examination related grievances via Integrated University Management System by the affiliating university. All issues raised by the coordinator are addressed by the technical staff of the affiliating university. Regarding students' grievances related to internal assessment or sessional examination, the responsibility lies with the respective departments. Doubts and enquiries of the students regarding marks obtained in the sessional examinations are clarified by teachers concerned, and necessary measures are taken as and when required.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

As an affiliated college under Gauhati University, Tyagbir Hem Baruah College follows the rules set by the university in implementation of the Under Graduate curriculum designed for the Honours and General courses in Arts and Science. 1. At the beginning of every semester, and as and when required Induction Programmes are held for introducing the courses to the students.

2. Soft copy of curriculum and Learning Outcomes of Programmes and Courses are made available on the college website for instant reference. The importance of being aware of the learning outcomes is communicated to the teachers time to time in every meeting of the Academic Council and staff meeting.

3. The students are also communicated about the Programme

outcomes, Programme Specific Outcomes and Course outcomes through tutorial classes, Induction Programmes. The mentors also play an important role in this connection.

4. The college has an Academic Council consisting of the department heads and Nodal Officers and headed by the Principal. The Council discusses, time to time, if the classes and practical activities are being conducted on proper direction towards realization of Program outcomes, program specific outcomes and course outcomes.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The college adopts the following measures for evaluating attainment of program outcomes, program specific outcomes and course outcomes by the students. 1. Results of the external examinations offer a major tool for measuring students' attainment of program outcome, program specific outcome and course outcome.

2. Internal Assessments are continuously and comprehensively carried out by the departments also inform about students' progress.

3. Quizzes, group discussions, seminars etc. are organized by the departments to assess students' attainment of various skills and knowledge.

4. Viva voce of Practical Examinations conducted in some of the departments offer information regarding students' achievements.

5. Records of students' participation in different activities like tree-plantation; NSS, etc. also help to evaluate their awareness of their responsibilities towards environment.

5. After announcement of results a joint meeting of the authority, teaching staff and the Academic Council is organised for discussion on achievement of the stated programme outcomes.

6. The students are assigned home assignments on a particular topic/ course to measure their knowledge and skills.

7. Feedback from students, alumni, and guardians are also collected in this regard. The analysis of the data by the Academic Audit Committee serves a good picture of the achievements of the students and their opinions on their experience of achieving declared outcomes of the course.

8. Alumni groups of the departments also offer information of achievements of desired outcomes.

9. After announcement of results a joint meeting of the authority, teaching staff and the Academic Council is organised for discussion on achievement of the stated programme outcomes.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The Alumni Association of the college has been actively engaged in different activities of the college for years. It maintains a close relation with the management and extends support to the authority on a regular basis. The college has two general whatsapp groups of alumni, which are run by the President and general Secretary of the college, besides departmental alumni groups. The groups help in involving the alumni in various activities of the college. The college authority also solicits participation of the association aiming at harnessing their pool of talent for dealing with various issues and attainment of infrastructural progress. Various departments of the college also take initiatives at their own level to get in touch with the alumni and share their knowledge and wealth of experience with the current students.

Different departments have their own Whatsapp groups to maintain an alumni network. Discussions on such platforms are beneficial to many students and other fellow-alumni in their respective areas. They also raise fund to donate books/apparatus to the departments for benefit of the students. The association also considers the areas in the infrastructure that need attention and adopts plan for offering assistance to the authority in this regard. The association plans to work for upliftment of the college canteen during this year besides carrying out a plantation drive in the college on the occasion of completion of 60 years by the college.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The authority along with the IQAC attempts to make the stakeholders aware of the mission and vision of the college and adopt policies and undertake activities accordingly. Besides the normal classroom teaching the college conducts different co-curricular activities that help in brushing up and enhancing the creative talent of the students. It also helps in drawing out the leadership qualities of the students and cultivating the values important for a corporate life. For example, the departmental seminars help the students to work on their presentation skills, update their knowledge and increase the level of confidence. The institute while arranging different scholastic and non-scholastic activities keeps in view the objective of inculcating democratic and secular values, imbibing a spirit of commitment towards the society, enhancing leadership qualities, cultural competence and interpersonal growth .As awareness, motivation, devotion,

knowledge, skills are essential components for the students to enhance their employability the college works out plans for arrangement of different programmes like seminars, brainstorming discussions on diverse current issues, motivational lectures, workshops on sports, drama, soft skill, mental health etc. The college through various extension activities maintains close ties with the community and motivate students from the underprivileged classes for education in the college.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The teaching and administrative staff, NCC, NSS, IQAC, Students' Union work together for smooth operation of the institution. The Principal is the sole authority of the institution. Management and governance of the college is led by a Governing Body (GB) comprising representatives of teaching and non-teaching staff, socially responsible persons and parents' representatives. All issues relating to administration, development, academics etc. are discussed at length in the GB meetings, taking into account opinions of all stakeholders, especially students' interest at large. The important decisions regarding various issues are taken by various committees like the Construction Committee, Purchase Committee, Library committee, Internal Complaint Compliance Committee, Students' Grievance Redrassal Committee etc. The decisions taken by such committees are implemented by the Principal, and under normal circumstances such decisions are never reviewed or invalidated by the GB. In case of students' issues the authority invites suggestions from the students' representatives. Students' Union Election is conducted with involvement of the members of the teaching and non-teaching staff. The non-teaching staff, Academic Council, comprising the Principal, Nodal Officer and Department Heads work together to conduct the academic activities smoothly. The teachers and non-teaching staff cooperate with the authority in implementation of the plans and organization of different programmes. The IQAC holds sessions with the students' representatives for drawing their opinions on various issues concerning the students and helping the authority take adequate

steps accordingly.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Management of the college is supremely led by a Governing Body (GB) duly constituted by the Director of Education (Higher) and headed by a Chairman with expertise in education and other social spheres. GB comprises of representatives of teaching staff, nonteaching staff and socially responsible persons and parents' representatives. All issues administrative/developmental/academics are discussed at length in the GB meetings, taking into account opinions of all stakeholders, especially students' interest at large. The Principal executes the recommendations of the GB. Issues like service rule procedures, recruitment and promotional policies are resolved as per the directive and regulations of the

Department of Education (Higher), Govt. of Assam, UGC and the affiliating university. There is an Academic Council comprising the Department Heads. The Department Heads take decisions regarding academic innovations and other related activities in consultation with other members of the department. The college has Grievance Redressal Cell for resolving various issues concerning the students and the staff members. The college has some other bodies like Women's Cell, Career Counseling Cell, Extension Cell, Internal Complaint Committee/Anti Sexual Harassment Committee etc. to deal with various issues and organize diverse programmes. The Students' Union is also associated with the decision making process of different committees including the IQAC.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC puts constant effort towards maintenance of quality in various areas as academics, research, extension activities etc. It lays stress on creating a conducive environment for growth of the students as per professed mission and vision of the college in addition to timely accomplishment of its regular activities. The IQAC is committed to institutionalize the following initiatives as quality assurance strategies:

1. Compilation of data and submission of AQARon stipulated date.
2. Review of the academic activities of the college regularly by the Academic Council.
3. Organization of workshops/seminars for the students to

promote their skill and proficiency in different areas.

4. Efforts by the authority towards introduction of new courses like M.A. in Assamese and English, Integrated B.Ed. courses in B.A. and B.Sc.
5. Orientation of the faculty members and the students towards the newly introduced NEP 2020.
6. Stepping up collaborative activities with various organisations for development of the students in different areas.
7. Organization of training programmes for the teaching/non teaching staff for enhancing their knowledge and skill in use of computers and other IT tools.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Teaching learning process is carried out according to the Academic Calendar of the college designed in the light of the Academic Calendar of the affiliating university. IQAC is in constant touch with the Academic Council (AC) and the departments for timely and proper implementation of the activities. Meetings of the Academic Council are held time to time to discuss different academic issues and review the progress of the students. A meeting is held at the beginning of the session to chalk out plan and strategy with opinions from the departments. After declaration of the results meetings are held to make revision of the performance of the students. Occasionally joint meetings of the AC and the teaching staff are held to discuss important issues like progress of the students, mentoring system, innovation in teaching learning etc.

Induction programmes are held for the students at the beginning of the session by the IQAC in association with the staff to inform them about the course structure/outcomes, the rules and various activities. It helps in clarifying the doubts of the students and motivating them toward the professed programme/course outcomes. Induction programmes are also held when the students are found to

be confused about issues pertaining to their course, examination etc.

Various academic issues are raised and discussed in the IQAC meetings and decisions are taken accordingly.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Complaint Compliance Committee, Anti Ragging Cell, Women's Cell, Students' Grievance Redressal Cell are important organs of the college to work for maintaining and promoting modesty, dignity of women in the college. Existence and vigilance of the cells keep

the college free from occurrence of any incident against dignity of women. The college offers education to a large number of girls (about 70% of students are girls) as the parents prefer the college for their education. The teaching staff of the college also consists of a good number of women including the vice-principal. Their active role and participation in the normal activities of the college ensure an atmosphere of gender equity. At the beginning and during the sessions induction/orientation programmes are held by the IQAC/Code of Conduct Committee to orient the students regarding the rules and values to be adopted. Such programmes put thrust on maintaining a conducive environment for gender equity. Besides creating awareness Women Cell looks into the special facilities offered for girls and maintenance of gender equity at different steps, initiatives and decisions of the administration. Programmes are held for awareness regarding sound mental health and development of an attitude of respect towards women. The college encourages enrolment of more girls in N.S.S., N.C.C. and Scout and Guide. The girls are encouraged to take part in all co-curricular and extension activities along with boys.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Important days are celebrated in the college with involvement of the students, teachers and the non teaching staff for sensitizing them towards their obligations, rights, duties and for inculcation of our long cherished social, cultural and democratic values. Such days include World Day of Social Justice, Human Rights Day, Women's day, World Poetry Day, Students' Day etc. Lectures, discussions, sports activities organized on such occasions contribute in imbibing important democratic ideals and values in the young students. The college has its own set of code of conduct and induction programmes are held for the students at the beginning and during the sessions to make students aware of the values to be respected and cultivated by them. Two important organs of the college N.C.C. and N.S.S. also help in inspiring the students with the patriotic zeal. Their participation in various extension work and various functions make the students aware of their role in the community life. Plantation drive, cleanliness drive are also regularly carried out by the college community in and outside the college which only encourage the students and others for adoption of a positive and active role in the community and corporate life.

Additionally organization of the college week, cultural rally in the college, participation of the college students in cultural programmes organized by other institutes outside the college also help in inculcating values and a sense of responsibility and obligation in the students.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

1.Organisation of skill development programme.

Objectives : Motivating the students to become self reliant; Development of skills in agro farming; initiatives for accessing the resources of the neighbouring organizations for benefit of the students .

The context: Beekeeping, horticulture, livestock farming are some potential areas which can be explored by the educated youths. The college takes the responsibility of motivating the students to these areas and promote necessary skills for pursuing a career in these areas. The college in collaboration with the Bhoroliporiya Kanyaka Bahumukhi Pam aims at organizing programmes for promotion of skills and expertise in such fields.

The practices: The college, as per the objectives of the MoU with

the Bhoroliporiya Kanyaka Bahumukhi Pam has been organizing a number of workshop and internship programmes.

Evidence of success: The college has launched its own brand of honey, extracted and packaged by the students of the college under the supervision of the experts from Bhoroliporiya Kanyaka Bahumukhi Pam. Additionally, the college is successfully utilizing the resources of the college for fish farming and horticulture.

Problems encountered and resources required: There is dearth of government fund and assistance from the concerned government departments.

2.Regular participation of the college in the assessment process conducted by various agencies

Objectives:Regular monitoring of the functions of the college. :To promote a healthy work culture in the college.:Assessment of the progress achieved by the college by external agencies.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The college has been taking all initiatives for allround development of the students including vocational skills who hail from the marginalised sections of the society.About 95% of the students of the college availed free admission opportunity offered by the government of Assam in the academic year 2022-2023.The college has been always making effort for development of their talent in areas like sports and music. Accordingly workshop, career counselling programmes, motivational lectures are organised for students. The college has also engaged the willing students to work in the college tea garden and tea processing work for money. The college is the only institution of higher education in the entire state which has its own tea cultivation in its own campus. The college also organises workshops for the students for development of skill in agro farming.With such initiatives the college has

launched its own brand of honey and green tea. The number of girl students is also appreciable in number. The girls coming from the distant villages are also engaged in different activities along with boys. Rangers, NCC, NSS have good number of girls. Special programmes on self defence, mental health/hygiene are also held under the initiatives of the Women Cell and IQAC. It is for able guidance from teachers that girls, besides their academic excellence are performing well in sports and cultural activities, inter college competitions etc.
